The 1976-77 Annual Is Dedicated to

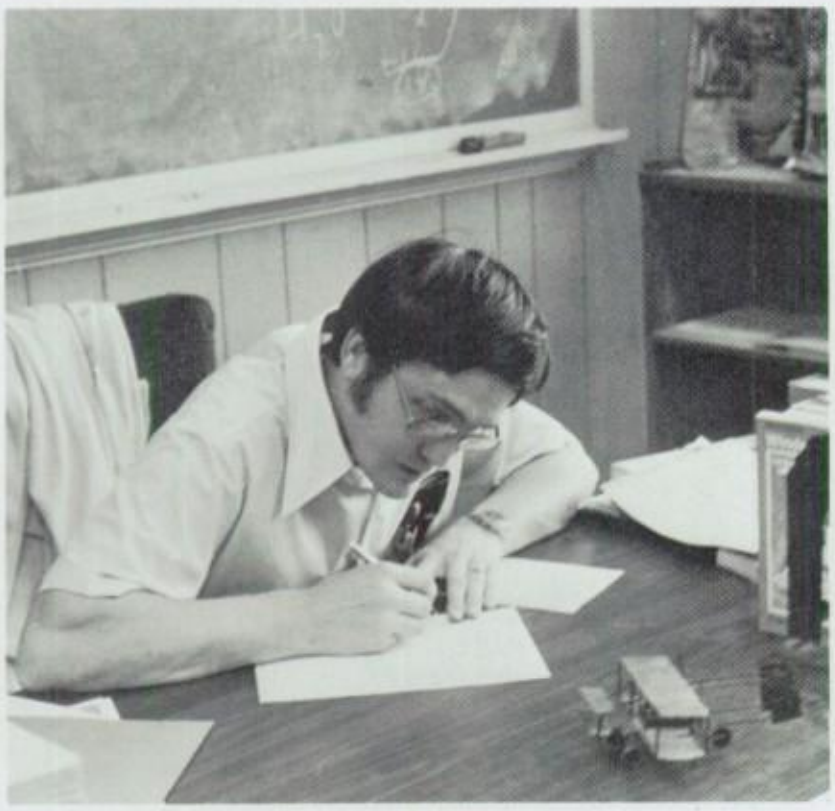
Louise Russell

Who can you depend on when you need a quick loan? Who is always available with sound advice and a cheerful smile? Who can you trust to listen when you have a problem that's got you down? Who has got that "special touch," that extra warmth when you're sick or hurt, or just plain "ready to throw in the towel?" Answer all these questions and add all the qualities together; dependable, trustable, friendly, cheerful, respectable, and lovable and you've got Louise Russell, our secretary.

Mrs. Russell came to work at Eddyville during the school year of 1969-70 as a "Matron" which meant, according to Mrs. Russell, "that anything and everything that needed doing, she got to do!" That summer she worked as a teachers aide. The following September she began the year as an aide in the Elementary wing. She returned in 1971-72 as a half-time Media aide, half-time Math aide. In 1972-73 Mrs. Russell became a full time Media aide and stayed on two years in that capacity, not knowing that in 1974 she would be called on to become Eddyville's Secretary. In September of 1974 she began her secretarial career with a new principal and six new teachers--What a job! Amongst all the confusion and hassle, Mrs. Russell managed to keep a smile on her face and control of her temper. This year is Mrs. Russell's third year as secretary, and as usual, the office is running smoothly.

When asked how she felt about Eddyville, Mrs. Russell said, "I love it, I love the kids-that's why I'm here and I enjoy working with the staff."

It's obvious to any visitor that the students and staff feel the same way about Mrs. Russell.



Mr. Ashenberner

Mr. Ashenberner teaches Science, Geometry and Photography classes daily. He also gives homework DAILY! We thought we'd be worked to death the first year, but this is his third year here, and we're all still alive.

Faculty

Mrs. Beachy

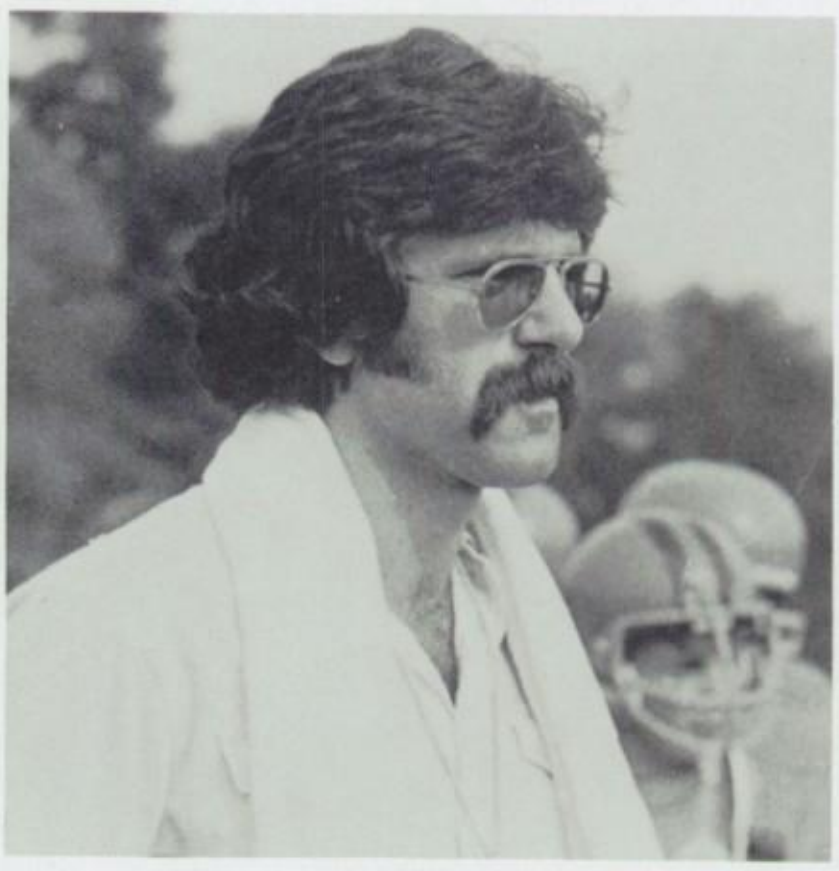
Mrs. Beachy is another of our first year teachers here at Eddyville, but its not her first year of teaching, she comes to us with a background of teaching experience and a contagious smile!

Mrs. Snyder

She teaches P.E. and Upholstery. You can usually find Mrs. Snyder in one of two spots-in the gym amongst volleyballs, basketballs and kids, or in the shop amongst sofas, bean bag chairs and more kids!

Faculty

Mr. Menegas



This is Mr. Menegas' first year at Eddyville. He began by helping build a football field for his team to play on. Besides coaching Football, Basketball and Track, he teaches P.E., Health, and according to most of the girls, is our resident "Fox"!

Mr. Schmidt

Mr. Schmidt is best known for all the money he makes for the Junior Store and the great costumes he can be counted on for at Halloween. He's also always there when we need a chaperone-thanks, Mr. Schmidt.

Faculty

Mrs. Simpson

Mrs. Simpson teaches Pre-school, Home Ec. and Family Living. She can usually be found trying to round up her Pre-schoolers, or if they're together she's looking for her aides.

Mrs. Hees

Librarian-Counselor, Mrs. Hees has been with us two hectic years. She's our schedule changer-arranger, librarian and a super good listener!

Faculty

Mrs. Greene

Mrs. Greene is Eddyville's Learning Center teacher. In her first year here she has improved our program immensely.

Mrs. Spencer

Mrs. Spencer is our faithful English teacher as well as our Activities Director. She has been at Eddyville for three years and is still going strong! Let's hope she can last another year.

Mrs. Wyatt

Mrs. Wyatt teaches Modern Problems, Speech-Drama, and Jr. High History and English. She also coaches the Jr. High Girl's basketball team.

Mr. Springer

Our vo-ag teacher can usually be found across the road at the vo-ag building. He insures every vo-ag student is in shape for P.E. from walking back and forth to class and chasing sheep!

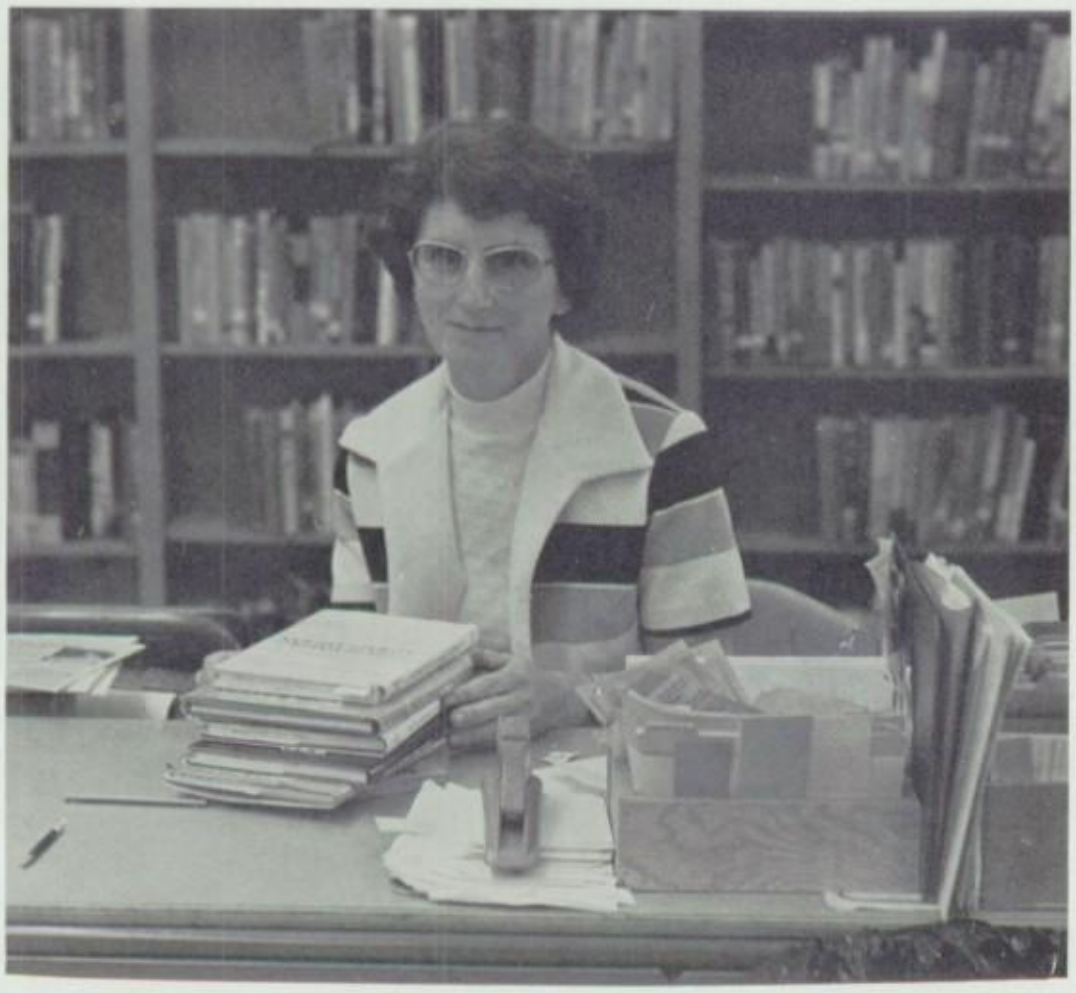
Our illustrious leader is surviving her first year as principal at Eddyville in great style. No matter how hard the day has been, we can always count on her for a good joke-or a long lecture!

Mrs. Buel

Natalie Haley, one of our two custodians, cleans the lunch tables. A very hard worker, and a great person, Natalie keeps our school spotless. Thanks for your services, we really appreciate it.

Eddyville Helpers

Beth Nelson, the cook at Eddyville, is shown working in her kitchen. She prepares delicious lunches for us every day, and devotes many hours of hard work to our students. Thanks Beth, but you sure are murder on a diet!



Stella Eagleson, Eddyville's Media Aide, is in her third year here. Our library would be lost without her, so never leave us Stella!

Eddyville Helpers

Evelyn Beshears, custodian, is shown setting up the lunch tables. Always lending a helping hand when needed, she does a great job. Thanks Evelyn.

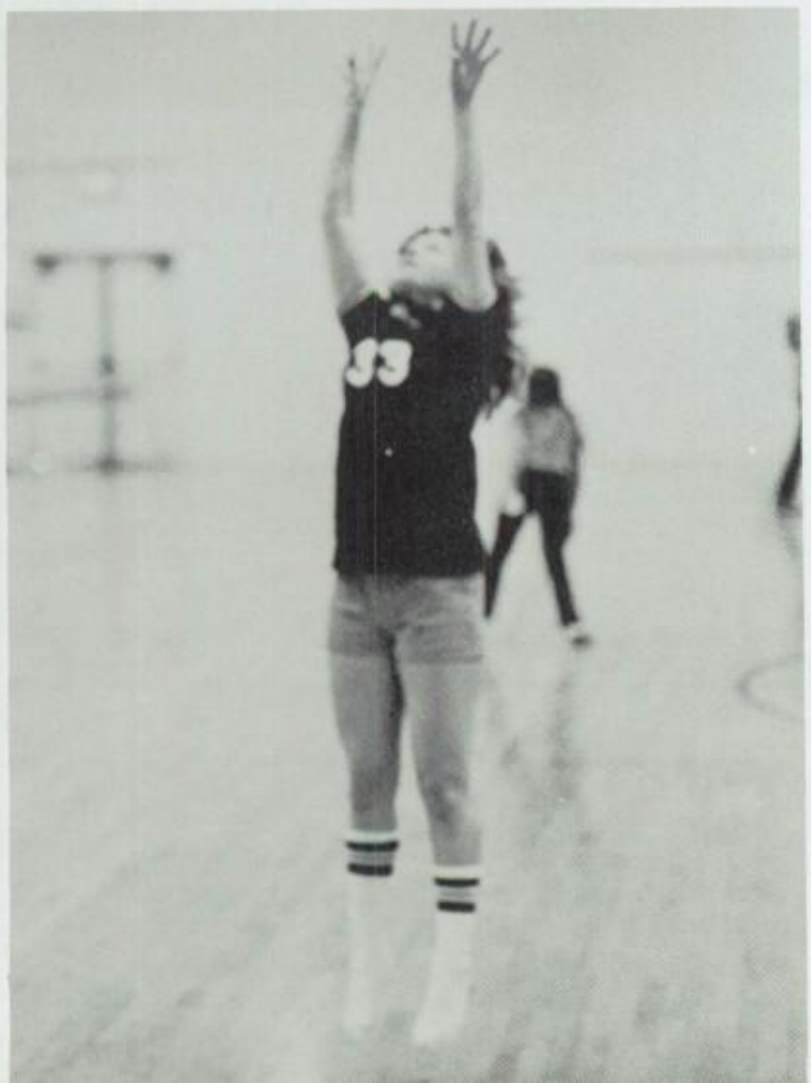
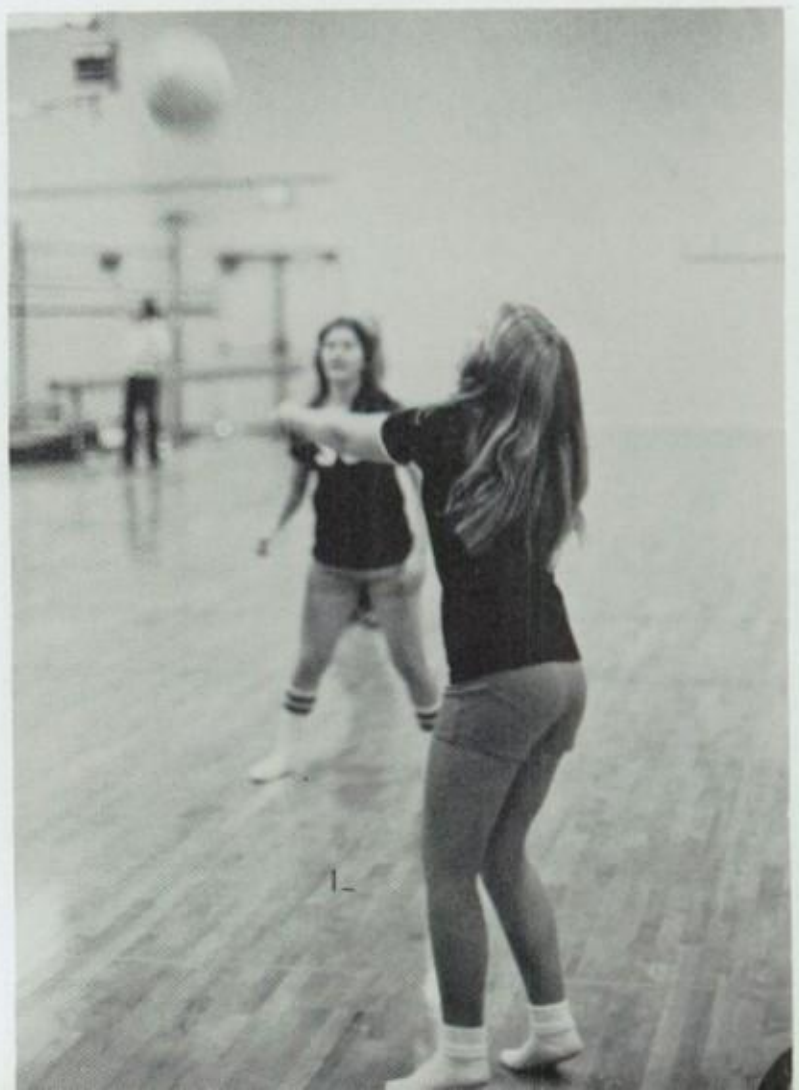
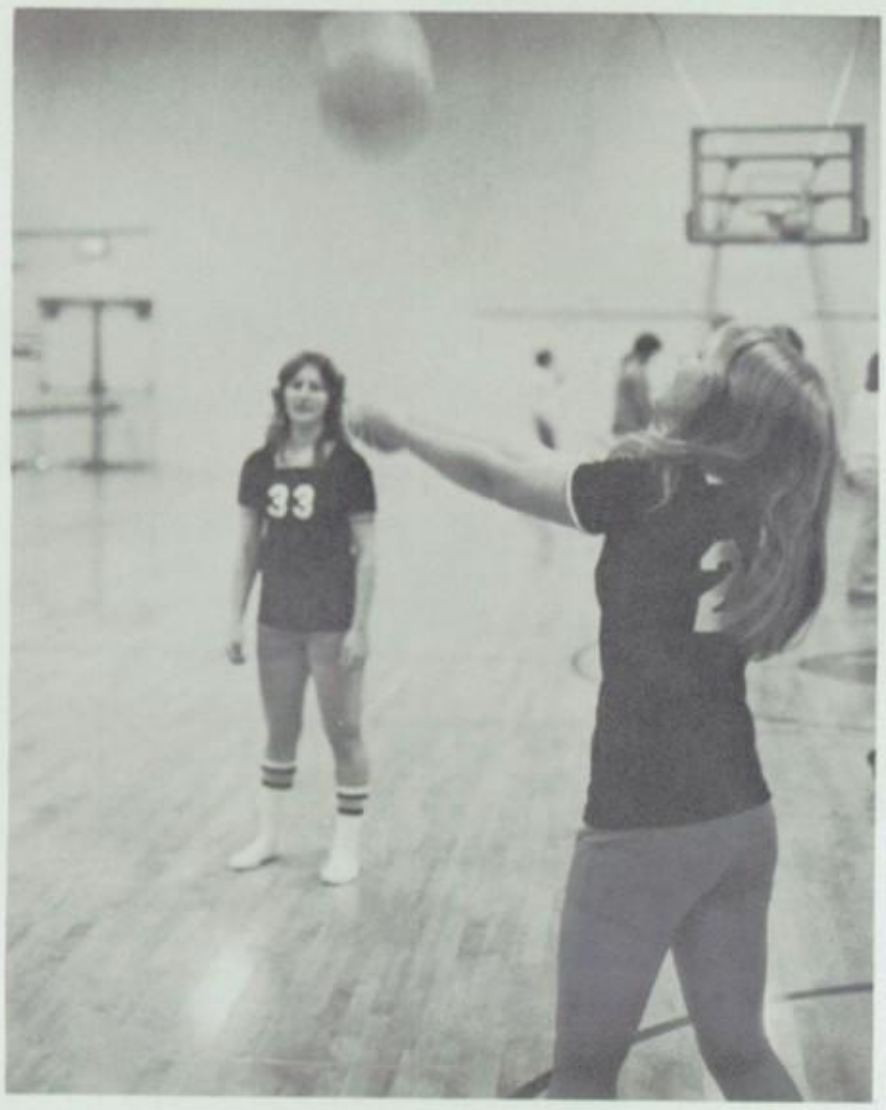
Eagle Volleyball

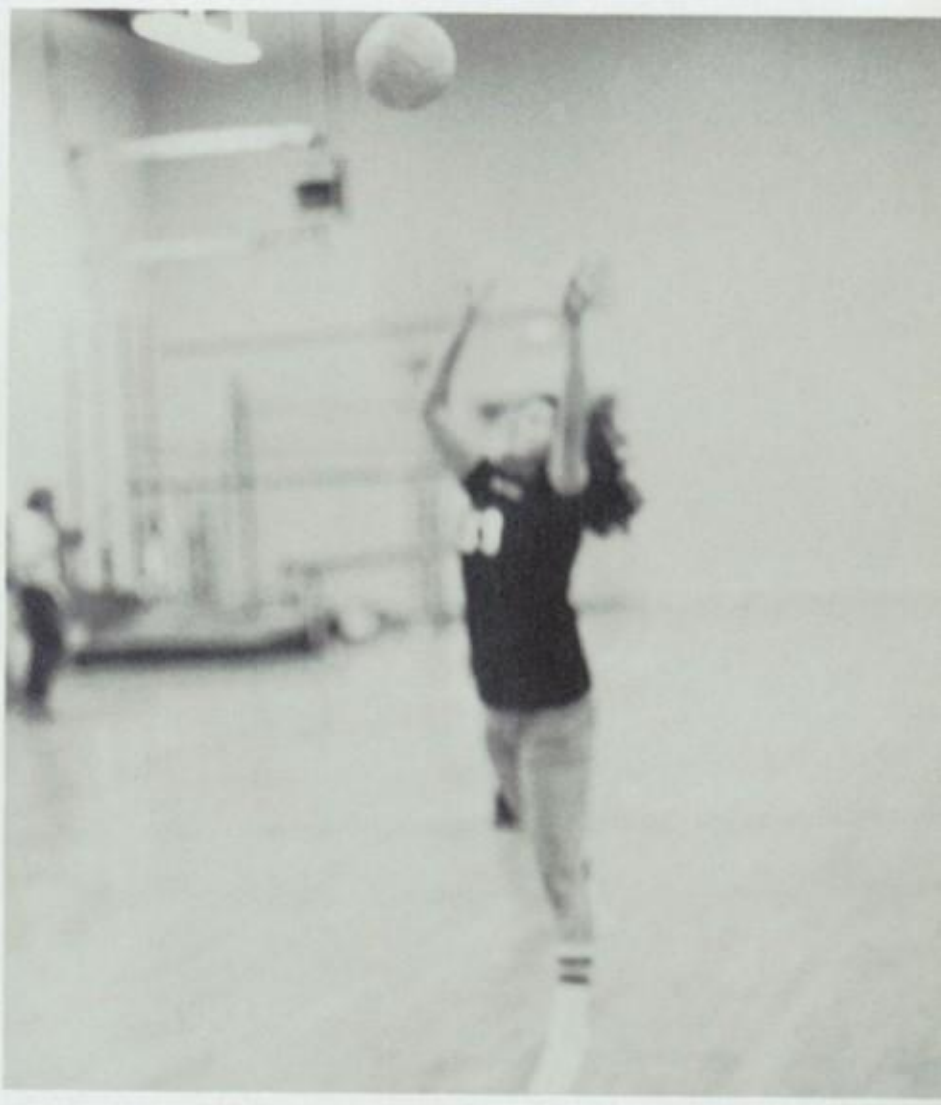
It's always difficult to sum up a season-this year especially. There were so many positive things that happened and yet we only won 2 games. The girls played the best team volleyball they've played in the three years I've been coaching, but they had a difficult time reaching a happy medium emotionally-they were either "over-psyched" or "under-psyched" on the floor! We just couldn't find the right combination to come up with a winning season. This is the first year that there was seldom bickering on the floor-everyone fought FOR everyone instead of against. We worked hard on using the 3 sets necessary for good control volleyball, and I felt, as did many others in the league, that as far as team technique, Eddyville had what it takes. Our best game was with Alsea, although injuries paid their toll. We can look forward to a strong team next year, we'll have a large senior turnout, girls who would have played three years together, plus some strong underclassmen coming up. Experience really helps and we'll have that plus ability and enthusiasm.

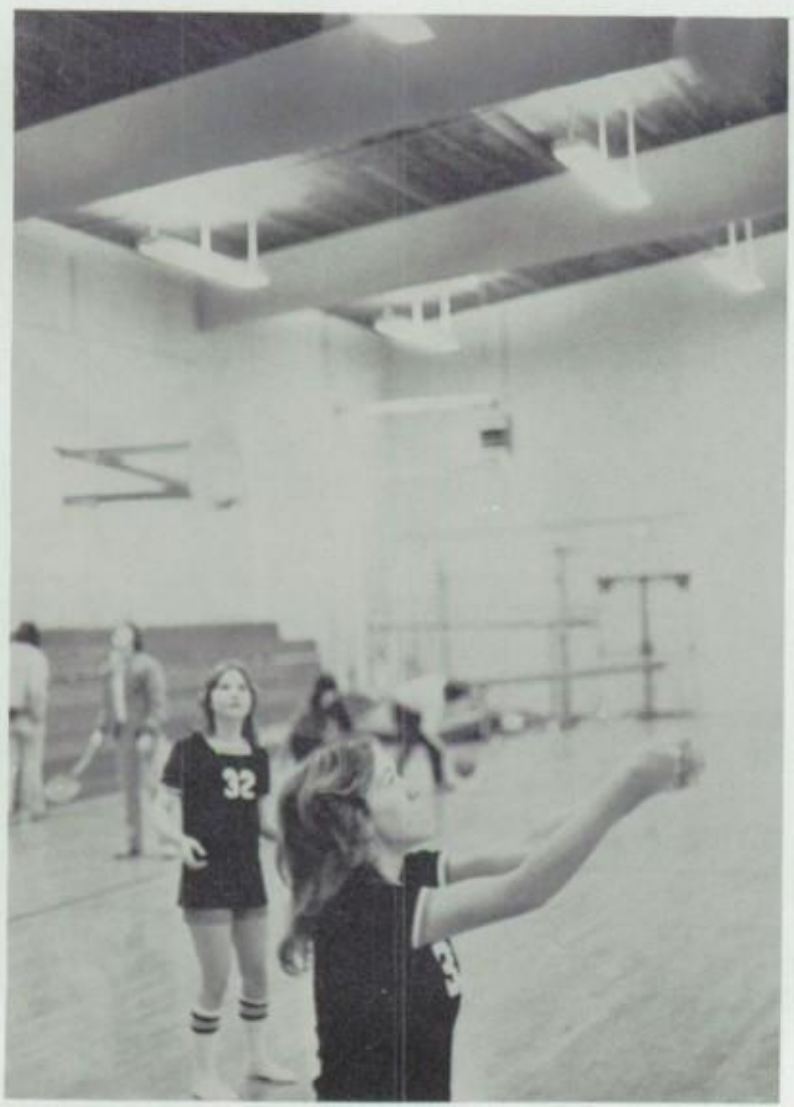
Coach Spencer











Homecoming 76

YUCK!

"Homecoming 76" was a terrific success. Spirit Week included a Bonfire, a Pie Eating Contest, a Poster Contest, a Costume Contest, a Yelling Contest, a Powder Puff Football Game, Varsity Volleyball and a Varsity Football Game against Triangle Lake, a Spagetti Feed, and the Homecoming Dance.

Ruth Schriver cuts upfield with Debbie Kinion in hot pursuit. The Orange team defeated the Black team 2 to 0 in the Powder Puff Football Game.

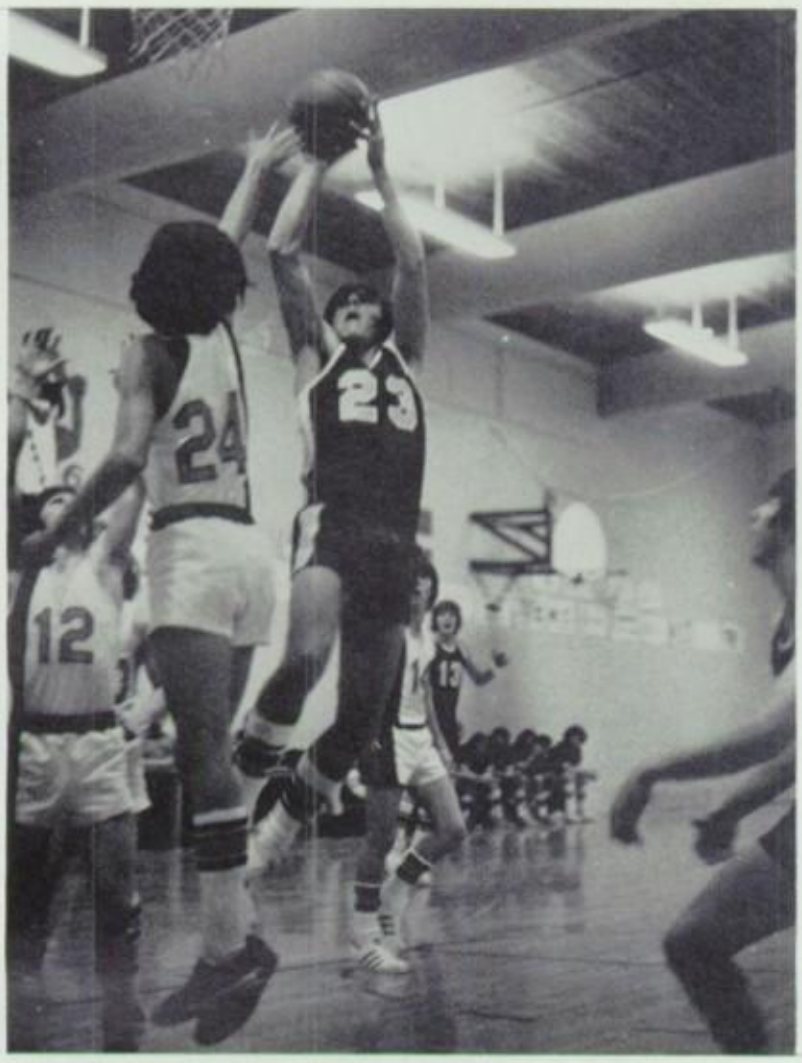
The 1976-77 basketball season was a pleasure for me to coach. The Eagles reversed an 0-12 record from a year ago, to a 4-10 Casco League record this season, with wins over Alsea, Maclaren, and Perrydale twice. The boys are highly competitive, and improved greatly throughout the season.

Coach Menegas



Junior Tim Tompkins prepares to block a shot.

Tim Tompkins, the second leading rebounder, rejects a shot.

The lone senior on this years squad, Nathan Faxon, eyes the bucket.

Junior Robin Renfrow, the teams' leading field goal percentage shooter and leading rebounder, attempts a foul shot against Detroit.

Junior Tom Howard, who scored 424 points this season, attempts a jump shot against Detroit. Tom led the Eagles in scoring, averaging 24.1 points per game.

Tom made All Casco League this season.

The Eagles played a zone defense throughout most of the season.

The 1976-77 season was highlighted with a 47-43 victory over Alsea, the first time Eddyville has beaten Alsea in 10 years.

With 11 returning lettermen, the future looks bright for the Eagle basketballers.

The Eagle Junior Varsity learned the most important aspect in having a successful basketball program, DEFENSE. By the end of the season, Eddyville was playing aggressive, tough man to man defense and winning ball games on their defensive ability. Rick Howard, Brian Renfrow, and Terry Scott led the Eagles in scoring, with Ken Donahue being the team's best defensive performer.

Fred Brown led the Junior Eagles in rebounds.

Rick Howard puts up a jumper against Detroit. Rick led the Junior Varsity in scoring, after starting the season late due to a football injury.

Trayce Countryman feeds the ball into winger Rick Howard.

The Eddyville Junior Varsity Basketball team ended the season with 6 wins and 8 losses in Casco League action.

Freshman Brian Renfrow passes the ball back to the point. Brian split duty between the J.V.'s and the Varsity

EAGLE GIRLS VARSITY BASKETBALL

Varsity Basketball Team: TOP ROW: Janet W., Dena W., Kay K., Debbie K , Dale P., Coach Niemi, Lisa T., Gini F., Zann T., Linda F., Linda G., MIDDLE ROW: Stat. Keeper Laurie H., Manager Robbie N , Stat.Keeper Les S., FRONT ROW: Cheerleaders Lisa P. and Ruth S.

Eddyville girls were a hard working aggressive team that may have been one year away from maturity. However, during the course of the season, the Eagles girls learned to play tough defense and become much more disciplined on offense. Great ability and pride were characteristics of the team and those are the assets of any great team. The constant improvement throughout the year have all of us full of enthusiasm for next year, since none of the "tough 10" are graduating.

Gini, Dale, and Debbie headed for a fast break.

The entire girl's basketball team will return next season, and a very strong junior high team will produce some good players for next year.

Kay Kessi and Zann Thomas tie up an opponent.

The Eagle Girls qualified for the District playoffs again this season, and defeated Jewell in the semi-finals, but lost a 42-39 game to Valsetz in the final game to determine the state representative.

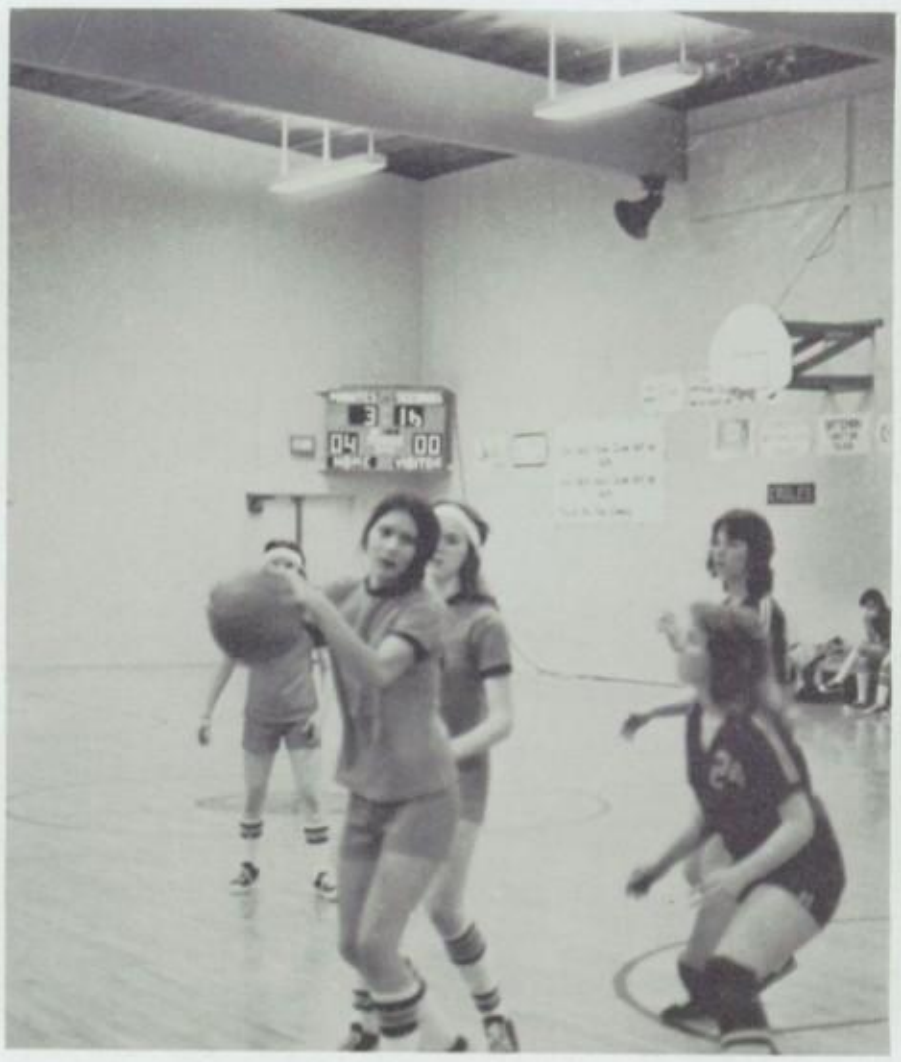
Lisa led the girls in scoring.



Senior Christmas

On a clear, sunny, spring-like day in December, thirteen seniors trudged into the woods on the Bob Buel farm in search of a Christmas tree.

No ordinary tree would do. . . it had to be large and hard to get. Finally they spotted a big Douglas fir in a canyon and Dave Rariden felled it with his chain saw with able assistance from Randy Holmes and Roy Parks.

Nathan Faxon backed his pickup into a road at the canyon bottom and the class loaded the giant tree on top. Weighted down by the senior girls and their advisor the truck made it up the grade and across the fields.

Christmas carols rang out on the highway and everyone hung on as Nathan piloted truck, tree and seniors back to E.H.S.

The afternoon was spent decorating the tree with time out for pizza and pop.

When it's right, you know it!

Getting down to work.

EIGHTH GRADE

Six eager young 8th graders began the season with a determination not to be beaten. They achieved their goal with a combination of talent, teamwork and cool heads. The "Junior Eagles" were able to defeat larger squads mainly beause they were willing to support each other and stay together.

The season started on an ominous note with Becky Schriver breaking her ankle before the first game. She made a great comeback, playing several games in an ankle cast. Congratulations to a great team--Undefeated Two Years

The Junior High Basketball team played well this year against tough opponents. The team consisted of three eighth graders, two seventh graders and two sixth graders.

Each members performance improved through the year with a fine showing in their last game against a well coached Taft team. All things considered, the Eddyville Jr. High team had a good season.
